

# 2016 Colorado State EMS Conference

Keystone, CO

November 3 - 6, 2016

## Recommendations for Continuing Education

**COLORADO**

Department of Public  
Health & Environment

# Colorado State EMS Conference 2016

## Continuing Education Hours Recommendations

This year's conference offers 60+ presentations which may be used for National Registry and/or Colorado EMS Provider recertification. To help plan and document continuing education (CE) received at this year's conference, this document is intended to provide suggestions based on the schedule as of October 1, 2016.

The tables in this document include recommendations for categorizing each session plus the number of contact hours that may be applied towards National Registry and Colorado recertification requirements. The information provided is also intended to help guide local state-recognized education programs when assigning CE credit and contact hours necessary to approve EMS provider recertification applications.

*Please note that the following recommendations are only suggestions.*

For more information about the **Colorado** state recertification process, please visit our website at [www.coems.info](http://www.coems.info)

For more information about the **National Registry** recertification process, please visit their website at [www.nremt.org](http://www.nremt.org)

### EMT

Colorado State	NREMT
Airway	Airway
Elective	Elective
Medical / Behavioral	Medical / Behavioral
Obstetric	
Patient Assessment	Patient Assessment
Pediatric	
Preparatory	Preparatory
Trauma	Trauma
	OB, Infants, Children
