Featured Speakers

Eric Bauer, MBA, FP-C, CCP-C, C-NPT

Eric is the founder and lead educator for FlightBridgeED, LLC. The mission of FlightBridgeED is to be the leader in Critical Care education specializing in the air medical and prehospital environments. They strive to invest in others with the hope of bringing them to the next level in their medical career. Eric's background has been in the Fire/EMS field for 26 years with the past 15 years spent in the HEMS industry. Eric loves education and investing in others. He has devoted the last 13 years to critical care medicine education, critical care medicine theory, research and writing. Eric has spoken both domestically and internationally on many levels as an educator and author. Eric's love and passion for teaching is the founding basis for establishing FlightBridgeED, LLC. Also pictured is Eric's wife Ashley.

Dave Hansher

Dave has been in EMS since 1986, a paramedic for 20 years. He is currently the Deputy Chief of Ute Pass Regional Health Service District where he has been employed for all of those 20 years. He has also worked at AMR Colorado Springs. He has a long history of primary education in EMS. Originally a high school teacher, Dave was the lead instructor for the PPCC Paramedic Program for 5 years and has instructed several dozen EMT courses. He has been the Training and Education Coordinator for UPRHSD for 15 years and enjoys teaching and guest lecturing to this day. His educational/clinical specialty is pharmacology.

James McLaughlin

James E McLaughlin BS, NRP is a Community Paramedic Captain with Ute Pass Regional Health Service District. James has been in EMS since 1991, is a Colorado State Primary Instructor, American Heart Association Regional Faculty Course Director, and adjunct faculty for Pikes Peak Community College. James is the father of four kids and travels all over the world in his leisure time.

Larry Buckman

Larry Buckman is a Nationally Registered Paramedic and holds a Bachelors in Healthcare Administration and certificate in Disaster Preparedness. Retired Air Force Paramedic with more than 24 years of honorable service and deployed multiple times. He has worked within NREMT and managed multiple Emergency Departments in the Department of Defense over the past 30 years and has over 25 years of education and training experience specific to EMS and emergency management/preparedness.
