***Trauma Care in
Colorado***

Adopted January 7, 1995 by the

Emergency Medical Services Association of Colorado, Inc.

Whereas the Emergency Medical Services Association of Colorado (EMSAC) is a statewide association of Emergency Medical Service Providers and,

Whereas, the Emergency Medical Services Association of Colorado is acutely aware of the need for a statewide trauma system to ensure the availability of high quality trauma care to all patients who have suffered traumatic injury;

now therefore be it resolved on January 7th, 1995 the Board of Directors of EMSAC Board voted unanimously to support Senate Bill 95-76, the 1995 Trauma Bill.

1200 professionals dedicated to excellence in the provision of emergency medical care to the people of Colorado.
